

Michelle Bennett

I am currently working through a certification program through the University of Birmingham in Full Stack Web Development. I have a passion for creating interactive, responsive, and user friendly web pages that capture people's attention. I am becoming highly skilled in HTML, CSS, and JavaScript.

Education

2020 - 2021

University of Birmingham, Birmingham, UK - *Full Stack Web Development Certification*

2014 - 2017

Houston Community College, Houston, TX - *Associate of Arts in Communications*

Accomplishments

<https://mbennett1991.github.io/eat-in-n-drink-in/> - Working in a team, we created an application in which a user can input information to produce recipes, and then pair those recipes with a BrewDog Beer. We used Materialize as a CSS framework and two server side APIs.

<https://github.com/mbennett1991/Week-5-Coding-Quiz> - Here I created a short, timed coding quiz using HTML, CSS, and JavaScript.

<https://github.com/mbennett1991/Week-6-DayPlanner> - Using Moment.JS, local storage and JQuery, I have created a Work Day Day Planner.
